R. Vijayendra Rao Esq:
Secretary to the
Dewan of Mysore

Sir

I venture to solicit the favour of your kindly submitting this application for the favourable consideration of the Dewan.

You are aware that although a native of Mangalore I have been living in Bangalore for the last 27 years. The pay my office being hardly sufficient for the maintenance of my family consisting of 5 children I could ill afford to meet the cost of their education.

My son Gregory Noronha having attended the Central College at Bangalore and passed his Matriculation Examination in 1880 I sent him to the Medical College at Madras for his preparing himself for the

the L. M. & S. Degree. He has spent one year in the College and has to attend for three years more to finish the Course required for the Degree.

My present circumstances being such as to render it out of my power to maintain him in the College for such a long period I shall esteem it a great favour if Government be graciously pleased to confer on him a scholarship of Rs 25 per mensem tenable for four years in accordance with the proceedings of the late Chief Commissioner of Coorg, R. D. & dated 16th Novr 1880.

The Proceedings in question would seem to make the passing of the First Examination in Arts as a condition of eligibility to the scholarship. I trust, however, that a relaxation of the rule will be made in favour of my son in consideration of my long services in the Mysore State and his being the representative of a class which stands in most need of encouragement and protection at the hands of the Government.

For which

Petition dy. 8th. August from J. J. Noronha, Head Clerk, Military Secretary's office.

Endorsement.

The Medical Scholarships referred to have to be regulated by the Rules. The F. A. standard was required to qualify the applicants for admission to the M. B. degree. Failing any applicants of this class, Noronha's son's application for a scholarship of 15 Rs. now allowed will be hereafter taken into consideration.
